20 Years of Charity – “Riders United for Children” Now Becomes Part of the European Championship

## WELCOME DEAR RIDERS, FAMILIES, FRIENDS, AND GUESTS,

*“Don't just dream your dreams – live them.”*

This motto has been with us and our farm for the last 25 years. So many dreams have come true: unforgettable sporting successes, many European Championships we experienced together, and countless special moments shared with friends and companions along the way.

And now another dream is coming true. We have the privilege of hosting the 2026 European Championships here at home. For this we are very grateful and happy to welcome all of you.

**Welcome to Hagen a.T.W!  
Welcome to Sportpferde M&M Haunhorst!**

The best part of all these years has not been the medals or the trophies. It has been the people we have met, the friendships we have made, and the memories we share.

That is why we hope that you will make new friends during this championship. Get to know each other, spend time together, celebrate together, sharing laughter and tears together. These friendships can stay with you for the rest of your life and often become the most valuable memories of all.

But life is not only about dreams. Sometimes there are difficult moments too. And when those moments come, it is your friends who help you get through them.

This is also the idea behind our project **“Riders United For Children.”** From your horseshoes, beautiful „Good luck balls“ have been created. On Thursday evening, they will be auctioned during our Auction Night, with all proceeds going to the Children's Cancer Aid Münster.

We hope many of you will join us. Together, we can make a real difference and bring hope and joy to children and their families.

In this spirit we wish you an amazing European Championship, great sport, fair competition, and most of all, wonderful days full of new friendships and unforgettable memories.

**Welcome, enjoy your time here, and good luck to all of you!**

**Team & Family M&M Haunhorst**
